working and standing, and medical attendance of the military band, and, as official parties, members of the uniform to be worn by students when at the College.

In the event of a becoming necessary for a student to be admitted into a civil hospital, all charges incurred will be borne by the parent or guardian of the student.

A full term's notice is required to be given of intention to withdraw a student from the College. In the event of such notice not being given, the parent or guardian will be required to pay the full term's fee in full, unless it is established that the circumstances in which the student was withdrawn were such as to call for special consideration.

(6) Parents or guardians of candidates are required to attach to the application a declaration in the following form:—

I, _____, father/guardian of _____, a candidate for admission to the Prince of Wales' Royal Indian Military College, Dehra Dun, having made myself acquainted with the two papers at Dehra Dun, and, subsequently, at the Cadet Colleges in England (vide paragraph 17 of Provisional Regulations respecting admission of Indian gentlemen to the Royal Military Academy, Woolwich, the Royal Military College, Sandhurst, and the Royal Artillery Cadet College, Cranwell), am recommended by Amendment No. 2 of 1914 to an able and willing to pay the prescribed fees and meet the incidental expenses.

I also undertake that, in the event of my son/daughter adopting the Indian Army as his/her profession, I shall be prepared to pay the full cost which Government may have incurred on his/her education at the said college.

APPENDIX A.

Information regarding the medical examination of candidates for admission to the Prince of Wales' Royal Indian Military College, Dehra Dun.

1. The medical examination of candidates for admission to the Prince of Wales' Royal Indian Military College, Dehra Dun, should severally be made by—

- (a) the Officer Commanding a British or Indian Station Hospital, or Siding (a).
- (b) a Civil Surgeon.

2. A standard for height and chest measurements and physical development must be laid down, but the candidate should not be below the average for his age and race.

3. The standard of the minimum of attainment of vision with which a candidate will be considered fit—

Right eye

Distant vision V = 6/5.

Near vision reads 6/6.

Left eye

Distant vision not below 6/6.

Near vision reads 6/6.

Snellen's type should be used.

Each eye must have a full field of vision as tested by hand movements.

Signs or any marked condition of the eyes or of the fit of either eye to the rule of approximation or otherwise will cause the rejection of the candidate.

Each eye will be examined separately. The candidate will be required to read the tests in ordinary daylight.

Inability to distinguish the principal colours will not be regarded as a cause for rejection, but the fact will be noted in the proceedings and the candidate will be informed.

No relaxation of the standard of review will be allowed.

4. The following additional points will then be observed:—

(a) That his bearing is good.
(b) That his speech is without impediment.
(c) That his teeth are in good order. He must have nine (9) sound teeth in the upper jaw (temporally appeared to meet) (5) sound teeth in the lower jaw. Two of these teeth in each jaw must be solid. Well filled teeth will be considered as solid.

(d) That his chest is well formed and that his lungs and heart are sound.

(e) That he is not epileptic.

(f) That he does not suffer to a fair degree of violence in various ways. A candidate who has been successfully operated on will be accepted.

(g) That his hands are well formed and developed.

(h) That there is free and perfect motion of all the joints.

(i) That his feet and toes are well formed.

(j) That he does not suffer from any hereditary skin disease.

(k) That he has no congenital malformation of skin.

(l) That he does not bear traces of previous attack of chronic disease pointing to an impaired constitution.

(m) That the candidate's age is as near as possible correctly stated.

7. After consideration of the application and the Agent's observations thereon, the Government of India will determine whether or not it should be referred to the Ruler Advisory Committee for consideration.

Should the Government of India be of opinion that the application ought not to be referred to the Ruler Advisory Committee the applicant will be informed accordingly, and the deposit shall be refunded.

Should the Government of India be of opinion that the application ought to be referred to the Ruler Advisory Committee, the respective parties thereto will be so informed, and the Committee will be instructed to deal with it.

8. (a) After receipt of an application and the observations of the Agent thereon from the Government of India, the Ruler Advisory Committee shall furnish the applicant or his authorized agent or counsel or advocate a copy of the Committee's answer and the applicant shall, within fourteen days from the delivery of the answer to the applicant, or within such shorter or extended time as may be fixed by any special order of the Committee, file his reply (if any) with the Secretary to the Committee and leave with him some copies of the same.

(b) The applicant, in such reply, may object to the said answer as being insufficient, stating the grounds of such objection, or deny the facts stated therein, or may attack the whole or any part of such facts.

(c) The reply shall be signed by the applicant, or his agent or counsel or advocate.

(d) The Secretary to the Committee shall supply the respondent with a copy of the applicant's reply.

9. No pleading subsequent to reply other than a rejoinder of facts shall be pleaded without leave of the Committee.

10. If the applicant does not deliver a reply, or any party does not deliver any subsequent pleading within the period allowed for that purpose the pleadings shall be deemed to be closed at the expiration of that period, and all material statements of facts in the pleadings last delivered shall be deemed to have been stated and put in issue.

11. If it appears to the Committee at any time that the statements in the application or the answer, or reply, do not sufficiently disclose the issues of fact in dispute between the parties, they may direct them to propound issues, and such issues shall, if the parties desire, be settled by the Committee.

12. The Committee may, by consent of the parties to any proceedings before them, or on the application of either party, order any point of law raised by the pleadings to be not done for hearing and disposed of at any time before the hearing of the application. Upon such hearing if the opinion of the Committee, the decision of such point of law substantially disposes of the whole application, the Committee may order that the argument shall be the hearing of the case, and thereupon may recommend to the Government to grant or decline the application or make such other order thereon as may seem to them just.

13. (a) The Committee may, if they think fit, communicate with the parties in writing, and may require from the applicant or railway concerned further information or particulars or documents and answers to such inquiries as they may think fit to make.

(b) If the applicant or the railway concerned feel that the preparation of such information will involve a very serious expenditure of time and labour, the matter may be presented to the Committee for their consideration.

14. (a) Any party may appear and be heard in person or by another or advocate entitled to practice in a High Court or a Civil Court in India or a person duly authorized under a power of attorney, and, where the party is a firm, any partner may appear on behalf of the firm.

(b) A party may appoint a person who is in his regular employment to act as his representative in any proceedings, and if the appointment is duly made in accordance with these rules, such appointment shall be entitled to appear and be heard on all occasions when his principal might so appear, and to do so in consultation with the proceedings covered by his appointment or not, as though, or quite as much, as if he were not, or otherwise represent the party appointing him as fully as the party himself could do.

(c) Any such appointment as aforesaid shall be in writing and shall be signed by the party making the appointment.

(d) Any such appointment may be revoked or varied by a writing signed by the party.

(e) In execution or motion of an appointment shall be operative and that with the Secretary.

(f) For the purposes of this rule the word "party" shall include any partner, firm, association, authority or body corporate entitled to appear at the hearing of any application.

15. The Committee shall fix a named day, time and place for the hearing of the case and shall notify the same to the parties concerned.

16. If the applicant does not appear at the time and place appointed for the hearing, the Committee may recommend to the Government to dismiss the application, and if the respondent does not appear at such time and place, and the Committee are satisfied that the notice of hearing was duly served, they may hear and determine the application or, partly, and if any agreement at the hearing of the fact or of any of them do not appear, the Committee may decide the case in their absence.

17. The Committee may require evidence to be taken either viva voce or by one of their Members.

18. In any case in which, in the opinion of the Committee, a view is necessary or desirable, it may be held by one or more Members as they may direct.

19. (a) If during the course of an inquiry the Committee have reason to believe that a Railway or Railways who are not parties to the case are likely to be affected by any recommendation the Committee may make, it shall be within the Committee's discretion to advise the Government of India or the Secretary Department recommending such a Railway or Railways being made a party to the case and stating the grounds on which the recommendation is based.

(b) The Committee shall at the same time forward direct to such Railway or Railways a copy of their letter to Government in which a copy of the application, statement, pleadings and proceedings on their behalf to the same extent as they have been available in the original parties.

(c) The Committee shall control its hearing of the case and adjourn proceedings at such times as they are advised of the Government of India's decision on their references.

20. The Committee may from time to time adjourn any proceedings before them.

21. The Committee may at any stage of the proceedings allow any pleadings to be amended, or may refuse to be struck out any matters which may seek to prejudice, embarrass, or delay the fair hearing of the case, and all such amendments shall be made if and only be necessary for the purpose of determining the real questions in controversy between the parties.

to the proceedings before the Committee shall be deemed by any formal objection or withdrawal.

22. When any application made to the Committee has been withdrawn or rejected, the applicant shall immediately thereupon give notice thereof to the Secretary to the Committee.

23. The Committee, after the vote has been taken, may in those instances where the parties to their proposed installation as all or any of the same demand and invite objections in respect of such matters as may require further discussion and suggestions as to the appropriate manner in which such installation or continuance may be suitably altered, modified or amended. On receipt of a reply from the parties addressed, the Committee shall deliver its opinion regarding all the points raised in the demand and invite the parties to the installation by the Government of India in the Railway Department who will notify the applicant the final action passed on his application.

(4) The expression "Deposited Map" shall mean the plan of the area of supply hereafter specified, which has been deposited with the Government of Madras in possession of the rules under the Act, and which plan is signed for the purpose of identification by the Secretary to the Government of Madras in the Public Works Department and for the applicants by the Chairman, Municipal Council, Vishakhapatnam.

(5) The expression "Unit" shall mean the quantity of energy contained in a current of one thousand amperes flowing under an electromotive force of one volt lasting one hour.

(6) The expression "Load Factor" shall mean the ratio or percentage of the average quantity per hour to the maximum quantity per hour of energy supplied in any month or quarter.

3. Commencement of licence.—The date of the installation by the Government of Madras in the Port St. George Supply, that the licence has been granted as in the licence referred to as "The Commencement of the Licence."

4. Area of supply.—(a) The area within which the supply of energy is authorized by this licence is the whole of the area contained within the municipal limits of Vishakhapatnam and more particularly delineated upon the deposited map by a blue line enclosing the said area.

(b) Supply will also be given at high pressure to the Municipal Pumping Station, Bellur, situated beyond the limits of supply as delineated above at the 6th mile of Vengal Rao-Palacanda Road on the south bank of the Bellur river.

5. Purpose of supply.—Subject to the provisions of this licence and the Act and the rules thereunder the licensee shall be entitled during the continuance of this licence to supply energy within the area of supply for all purposes except in bulk.

Provided that the licensee shall not be under any obligation under section 55 of the Act, to supply more energy than is consistent with their obligation to maintain a constant supply to the users the demand being laid to the licensee's load factor.

Provided also that no supply of energy shall be commenced to be given by the licensee to owners or occupiers of premises until the Government of Madras have approved the form of requisition to be made by the owners or occupiers for such supply of energy and also the form of written contract or agreement with the licensee to take a supply of energy which it is to be executed or signed into by the owners or occupiers and until the Government of Madras have also approved the amounts of all miscellaneous charges (including in or in connection with such supply, which the licensee proposes to make).

6. System of supply.—The system of supply to be adopted for the supply of electric energy under this licence are the following:—

(1) (a) A medium pressure alternating current three phase four wire supply at a pressure at the consumer's terminals of 400 volts (approximately) between phases and 200 volts between phase and neutral which shall be carried at sea point only on each separate distributing system at a frequency of fifty complete periods per second.

(b) A high pressure alternating current three phase supply at a pressure not exceeding three thousand and three hundred volts between phases at a frequency of fifty complete periods per second.

(c) The neutral phase of the high pressure system may, with the approval of the Government of Madras and the concurrence of the Telegraph authorities, be converted to earth.

Provided always that it shall be lawful for the Government from time to time to issue, with due regard to the expenses involved and the effect upon the commercial prospects of the undertaking, regulations dealing with the transmission of supply as to authorize other systems of supply as it is adopted for the purpose of this licence.

Provided also that the licensee may, from time to time, with the previous consent in writing of the Government of Madras and subject to such conditions and conditions as shall be prescribed in writing by the Government, adopt any other system of supply for the purpose of this licence.

(3) (b) The lines, distributing mains and service lines may be overhead or underground in whole or in part, and shall be erected, constructed and maintained by the licensee in strict conformity with the Act and the rules thereunder.

Provided that nothing in this license shall authorize the licensee to use overhead lines of any high pressure than medium pressure, without the sanction in writing of the Government of Madras in each case and subject to any conditions or limitations which the Government of Madras may prescribe.

Provided also that in all the streets and thoroughfares less than 16 ft. in width all wires shall be laid underground.

(4) When overhead main/carrying alternating currents are used, due protection shall be taken by the licensee to avoid any possible interference with the adjacent telegraph or telephone circuits due to induction effects.

(5) For the purpose of rule 31 of the Indian Electricity Rules, 1921, the maximum peak pressure shall be taken as twenty per square foot.

3. **Compulsory works.**—(a) The licensee shall by direct, suitable and sufficient feeders and distributing mains and service wires to the satisfaction of the Government of Madras for the purpose of supplying electrical energy throughout such streets or parts as are specified in the first schedule and as indicated in and on the deposited map. In the case of a difference between the descriptions in the first schedule and as indicated on the deposited map the latter shall prevail. The licensee shall commence to execute the works aforesaid within fifteen months from the commencement of the license and shall complete the same within three years thereof.

(b) If the licensee fails to comply with the above provisions or should in the opinion of the Government of Madras the progress made during any of the said period of three years be unsatisfactory, the license may be revoked.

(c) The licensee shall submit their reports every six months to the Government of Madras and the completion of the compulsory works specifying all executing and the progress made in carrying out of the same.

4. **Generating station.**—The generating station shall be within the area of supply.

5. **Dividing up of streets and Railways and crossing of Railways.**—(a) The licensee shall by specific authority in open and lawful by the end and payment of the amounts payable by the Government of Madras or by the local authority and as provided in the second schedule as far only as concerns level crossings and parts of the railways running along the highway.

(b) The length of the trenches to be opened at any one time on any street or part of the Government of Madras and the period for which they may remain open shall be determined from time to time by the Government of Madras. When any street is closed, not more than half the width of such street shall without the specific authority in writing of the Government of Madras be allowed to be closed for traffic.

(c) The licensee are further authorized to open all streets, streams and drainage channels within or contiguous to the area of supply in accordance with such conditions as the Government may require.

6. **Costs of works to be charged in regard of the supply of energy.**—The prices to be charged by the licensee for energy supplied by them shall not exceed those stated in that schedule in the third schedule or in the case of a method of charge approved by the Government of Madras in accordance with clause X of the schedule of the Act.

such methods as the Government of Madras may fix as approving the method. Nevertheless the licensee may enter into special contracts, subject to sections 32 and 33 of the Act for the supply of energy and where energy supplied is measured, may charge a fixed sum per lamp per month.

7. **Additional to, variation from, and compliance with the schedule of the Act.**—In pursuance of section 3, subsection (2), clause (7) of the Act it is hereby expressly declared that clause IX of the schedule in the Act shall be complied with, notwithstanding in the license.

8. **Revocation.**—If the licensee fail to comply with the provisions of any of the clauses thereof, the license may be revoked.

No. 212.—

REGULATIONS CONCERNING THE CONSTITUTION AND WORKING OF THE MADRAS LAW COLLEGE.

Preamble.

The following rules relating to the constitution and working of the Madras Law College have been sanctioned by the Government:—

Object.

1. The college, which is attached to the Madras University in the Faculty of Law, is intended to afford instruction to students preparing for B.L. and M.L. Degree Examinations, the United Provinces Special Post Examinations and such other examinations in law as may hereafter be instituted and also to moderate divisions of studying any special branch of law.

Control.

2. The departmental control over the institution in respect of official routine such as leave, leave allowances, budget, accounts, etc., shall rest in the Director of Public Instruction.

3. There shall be a Council for the college consisting of two or more Judges of the High Court, one of whom shall sit as President, the Advocate-General, the Principal, the Vice-Principal and such other persons as may be appointed by the Government. The Principal shall ex officio be the Secretary to the Council. The Council shall be the governing body of the college and shall have control over its academic affairs. The Council shall have the power to submit recommendations to Government through the Director of Public Instruction in respect of the appointment of lecturers. The Council may also be consulted in such matters as the Government or the Director of Public Instruction may desire.

4. (a) The Principal shall, at the end of each term, submit a report to the members of the Council on the state of affairs of the college.

(b) There shall be an ordinary annual meeting of the Council in the month of March.

(c) The President may call special meetings at such times as may seem fit or at any time on the requisition of any two members of the Council.

5. In the absence of the President, the senior member present shall preside at such meetings.

The President or presiding member shall have a vote-cast question placed before the meeting, and in the event of the vote being equally divided, he shall have a second or casting vote.

6. The minutes of the proceedings of all meetings of the Council shall be entered in a book to be kept for the purpose.

7. The executive management of the college is vested in the Principal. He shall not make any change in the prescribed course of instruction or the general management of the college without the sanction of the Council or the Director of Public Instruction to the same may be.

8. The members of the staff are subordinate to the Principal and all communications which they may wish to address to the Council, the Director of Public Instruction or to the Government must be submitted through him.

Staff.

9. The staff shall consist of a Principal, a Vice-Principal, a full-time Professor and seven part-time Lecturers who will all be appointed by the Government. The selection of Lecturers shall be made from among legal practitioners.

Lecturers shall be on probation for a period of one year and if their work is satisfactory they will be re-engaged for a further period of three years; they will also be eligible for reappointment.

10. The Principal, the Vice-Principal and the Professor shall devote their whole time to the work of the college and shall be delivered from pursuing other professions except in consulting or chamber practice. The Lecturers shall be at liberty to practice.

11. The duties of the other members of the staff shall be determined by the Principal. The entire staff including the Principal shall take part in lecturing work.

12. The distribution of work for each term shall be settled by the Principal in consultation with the other members of the staff and sanctioned before the end of the preceding term.

Course of Instruction.

13. Instructions and guidance in writing shall be provided for M.L. students in accordance with a scheme fixed from time to time by the College Council on the recommendation of the Principal. The courses of instruction for the B.L. classes shall be as laid down by the regulations of the Madras University. They shall extend over two years divided into six terms, the terms being separated by the three vacations of the year. During the first three terms students shall be prepared for the First Examination in Law and during the remaining three terms students who have passed the First Examination shall be prepared for the B.L. Degree Examination. The course of instruction for the special class shall be fixed by the College Council on the recommendation of the Principal.

Classes.

14. The college shall contain the following classes:—

(1) M.L. Classes—to consist of students preparing for the M.L. Degree Examination;

(2) B.L. Classes—to consist of students preparing for the B.L. Degree Examination;

24. All fees shall be paid in advance into the general Bank of India at Madras together with fees, if any.

25. No refund of fee shall be made except in the case of students admitted previously into the first year B.L. class under rule 23 above who have to withdraw from the college on account of their having failed in the B.L. or the B.A. Degree Examination referred to in the said rule.

26. If a student, for sufficient cause, leaves the college during term, the Principal may return or remit such portion of the fee as he may consider equitable.

Governments & bursaries.

27. Two scholarships of the annual value of Rs. 125 shall be awarded in the B.L. class on the results of the First Examination in Law. One of the scholarships shall be awarded to the Mahomedan or Gya student who scores highest in the examination and the other to the student, other than a Mahomedan or Gya, who scores highest in the same examination; provided that, if the Mahomedal scholarship is awarded to either of the students eligible for scholarships under this rule, the corresponding Government scholarship shall be awarded to the student who stands next highest in the examination. In cases in which students are ranked equal, the Principal shall decide to whom the scholarship shall be awarded.

28. The scholarships shall be payable for one year and are payable on the 15th September and the 15th March every year.

29. A scholar shall be required to attend at least 75 per cent of the lectures delivered to the class to which he belongs during the tenure of his scholarship; he shall also be required to attend and to pass all class examinations held during the year and to appear for the University examination at the close of the year.

30. The scholarships shall be awarded by the Principal. They are liable to be reduced or withdrawn for misconduct, idleness or want of adequate progress.

Each scholarship-holder shall further bind himself by a written contract to be approved by the Director (a) to place himself under the control of the Principal and the measures of the lecturers and teaching staff directing his studies, (b) to pursue his studies assiduously and diligently during the tenure of his scholarship, (c) to hold no appointment carrying a fixed salary or allowance and (d) at the discretion of the Director to refund the amount of scholarship drawn for wilful breach of the above-specified conditions.

Hours of Instruction.

31. The lectures and tutorial classes shall ordinarily be held between 9 a.m. and 5 p.m. The general scheme of study shall be arranged by the Principal in consultation with the Council. No tutorial class shall be made in the time-table or in the general arrangement of college work except under the authority of the College Council.

32. Students are expected to attend such class examinations as may from time to time be prescribed by the Principal and failure to do so without good reason would entail forfeiture of the terms of the award.

Visitors and Bursars.

33. The college shall be closed for the Mahomedan, Christian and Mohammedan vacations for each private as may be fixed by the Director of Public Instruction.

34. The nonvacation holidays allowed in rule 71, Chapter VI, of the Madras Educational Rules, shall apply to the college in so far as the special clauses would allow.

Certificates.

35. B.L. Degrees.—Certificate of attendance, progress and conduct which conditions for the First Examination in Law and the B.L. Degree. Examinations are required by the regulations to pass, shall be issued by the Principal to the student who has attained the prescribed conditions.

Special Classes.

36. Students attending the special classes may, at the end of their course, be granted certificates specifying the subjects in which they received instruction.

Registers and accounts.

37. The following registers shall be kept:—

(i) Register of admissions and withdrawals;
(ii) Attendance register of students, and staff and establishment;

(iii) Marks register;

(iv) Towards register;

(v) Certificate of fee and other miscellaneous receipts;

(vi) Daily session book;

DISCUSSION

It is heavily notified that candidates appearing for the Intermediate Examinations for the first time from colleges in 1978 should take only the following:

groupings of subjects which are being brought in the affiliated colleges under Part III of the examination and that no applications are framed on the basis of these groupings only, applications from candidates bringing in other groupings will not be entertained.

Candidates who appeared for the examination in 1936 or before should bring in the same groups of subjects for which they appeared previously. Candidates who undertake their course of study under the Old Regulations will be governed by the Transition Regulations mentioned in Chapter XXXI of the Code and they can appear for the corresponding subjects under the present Regulations. Private candidates who have been granted exemption should appear for the same groups of subjects mentioned in their exemption orders.

OFFICIAL ADVERTISEMENTS.

TENDERS FOR THE LEASE OF THE MUSEUM RESTAURANT IN THE GOVERNMENT MUSEUM.

Tenders will be received by the undersigned at the
Office of the Government Museum, Madras, till 4 p.m.
on Saturday the 24th November 1904 for the lease of
the Museum Restaurant for a period of three years
from 1st December 1905.

1. Tenders (which must be sealed) should be
addressed to "The Superintendent, Government
Museum, Madras", and should be accompanied
by "Tender for the lease of the Museum Restaurant".

2. Tenders will be opened by the undersigned
who reserves to himself the right of accepting all or
any of the tenders without assigning any reason for
so doing.

3. Each tender should be accompanied by a
deposit of Rs. 50 (paid in cash at the office). The
deposit will be returned immediately to those whose

tenders are not accepted and sealed in the case of the successful tenderer and adjusted against the sum for the remaining period of the lease. The tender fee less this Rs. 200 per year acts as its consideration.

6. The monthly rental (which shall be paid in cash) shall be paid on or before the first day of each month commencing from December 1st.

7. In addition to the rule of refunding the lease shall make his own arrangements, to be approved by the Superintendent, before the tender is finally accepted, for making drinking water to the public.

8. The lease shall pay for and remove all taxes necessary for selling refreshments in the refreshment room.

9. The sale of alcoholic liquors of any description is prohibited.

10. The lessee shall keep the restaurant grounds clean and tidy to the satisfaction of the Superintendent and comply with the sanitary requirements of the Corporation of Madras or other authorized sanitary authority.

11. The lessee shall keep the restaurant open on all days except Fridays, from 7 a.m. to 6-30 p.m. and shall close it not later than 6 p.m. A duplicate key of the building shall be left by the lessee in the custody of the Principal Assistant to the Superintendent, Government Museum.

12. Police to comply with any of the conditions contained herein will entail cancellation of the contract and revocation of the lease of the building lease's risk.

13. The successful tenderer will be required to execute at his own cost a stamped agreement in the proper form satisfying the above conditions.

Further particulars may be obtained from the Principal Assistant to the Superintendent.

F. H. GRAVELY,
Superintendent.

Government Museum, Madras,
11th October 1930.

TENDER FOR SUPPLY OF RAW MATERIALS AND MISCELLANEOUS ARTICLES FOR THE MANUFACTURE DEPARTMENT OF THE SENIOR CERTIFIED SCHOOL, CHINGELPUT.

Notice is hereby given that sealed tenders for the supply of articles for the Senior Certified School, Chingelput, as detailed in the schedule, for the period from 1st January 1931 to 31st December 1931 will be received by the Superintendent, Senior Certified School, Chingelput, up to 31 a.m. on 13th November 1930.

3. Information as to samples, etc., may be had on personal application at this office.

4. Tenders will be opened by the Superintendent, Senior Certified School, Chingelput, at the expiration of the time in the presence of those interested who may choose to attend.

5. Each tender must contain not only the bids, but also the total value of each item of supply entered on a separate column, the items in which must be sealed up showing the aggregate value of such entire tender.

6. Each tender must be accompanied by a deposit of Rs. 10 in current money. This deposit will be returned to successful tenderers immediately and to the others as soon as they have bid, the money mentioned in paragraph 7 below.

7. No person making a tender shall be allowed to withdraw his tender for the return of his deposit from the date thereof, and, in the event of his so doing, his deposit will be forfeited to the Government.

8. The successful tenderer must, within three days from date of opening of tenders that he has accepted, execute an agreement for the due fulfillment of the contract and lodge security, viz., 10 per cent of the total value of the contract, which his deposit will be applied in Government. The tenderer's security if not furnished will be returned to him immediately on completion of his contract.

9. No advance of cash will be made in the contract.

10. Payment will be made after delivery on monthly bills by the Superintendent, Senior Certified School, Chingelput.

11. A fee not exceeding 10 per cent of deposit money will be issued by the Chief Inspector of Certified Schools, Government, for any sub-contract of the supplies of the kind or kind after tender notification, and if (temporarily) approved, the contract will be awarded and the security forfeited.

12. The contract must not be sold.

13. The Chief Inspector reserves to himself the right to demand or accept the tender for any one or more of the articles tendered for by the successful tenderer without assigning any reason for so doing.

14. The Superintendent shall reserve to himself the right of rejecting tenders without assigning any reason for so doing.

15. The successful tenderer will be required to pay the value of the proper stamp duty on the contract.

16. No article shall be applied to the Senior Certified School, Chingelput, except on an authority signed by the Superintendent of the school or by some responsible person authorized by him in writing to do so.

17. Samples are not required unless called for. When called for, they must be sent in within two days. Samples will be returned in sealed bottles only. Samples of the accepted tenderer will be sealed and lodged in the school. Tenderers are distinctly to understand that, if the tender is accepted the article or articles required must be in every way equal to the approved sample. The opinion of the Superintendent will be final on this point.

18. The number or quantity entered in the schedule is the probable number or quantity which the Superintendent undertakes to require to be supplied and may be more or less according to actual requirements. The Superintendent does not bind himself to accept the full quantity or number entered in the schedule. But the tenderer will be under an obligation to supply such larger number or increased quantity as the Superintendent may require him to supply.

19. The system of rounding off fractions of a rupee in the nearest rupee contained in G.O. No. 208, Madras, dated 31st August 1929, will be adopted in all contracts' bills.

20. The contract will be void if the tenderer fails to deliver of the articles at the end of school.

21. Every article in the tender must invariably be included by the tenderer; failing which, the tender will be rejected.

22. The articles named in the schedule must be supplied in such quantities and at such times as may be instructed for by the Superintendent of the school. Information regarding quantities required at a time may be had on personal application at the school office.

Declaration of Interest

3. This contract is in full for twelve months beginning 31st April 1961. But in the event of any breach of agreement at any time on the part of the contractor, the contract shall be determinable by the Superintendent of Botany, Madras, for and on behalf of Secretary of State without compensation to the contractor. The contract may also be put on and is at any time by the Secretary of State given without any legal notice to the contractor.

5. The papers to be supplied under this contract are to be of the quality above mentioned and in every respect equal to the accepted samples and such to the Secretary of State or any officers duly authorized by him shall approve.

2. The papers are to be delivered at the Customs Office, French Malacca, free of charge, to the Secretary of State and at the contractor's risk in such quantities and at such times and in such manner as the Superintendent of Customs, Malacca, or any one duly authorized by him shall from time to time order.

8. Exposed papers shall be removed by and at the expense of the contractor within seven days after notice shall have been given him of the exposure. If not so taken away, the Superintendent of Stationery may cause the papers to be removed and charge the contractor with all expenses incurred in such removal.

10. In case of failure by the contractor to deliver papers demanded from him within the period limited by the above-mentioned papers delivered by him containing the stipulated quality, weight or quantity or in case of papers being delivered without a current invoice in duplicate, the Superintendent of Storeways or any one duly authorized by him shall have power to reject any such papers or reject or not deliver unless the contractor shall himself stockhold supply others that shall be sufficient and satisfactory, and any amount at cost so incurred by the Secretary of State for the material part, together with all expenses incurred in obtaining the purchase, shall be recovered by the Secretary of State from the contractor.

4. The content of any part, whole or intervenient it is not to be transferred or assigned by the continuator directly or indirectly to any person or persons whatsoever without the written consent of the Superintendent of Patents, Madras.

1. With every delivery of papers under the contract, returns in duplicate are to be sent by the contractor. The receipts will be returned by the Superintendent of Stationery with the quantities received duly noted thereon. The contractor is to send in his account monthly to the Superintendent of Stationery within seven days from the termination of the month with the sheets thus correctly selected according to the page count upon strength (after examination of the sheets) which shall be given to him of the day on which he or his authorized agent may attend for payment. Fractions of a page in the totals of the contractors' bills shall be rounded off in the several cases (i.e., fractions of less than half shall be disregarded and half a page and over shall be priced as a page) in the case of bills amounting to Rs 25 and upwards. The totals of bills for less than Rs 25 shall be rounded in the several cases (i.e., amounts below 2 pice shall be disregarded and 2 pice and over below 1 anna). 2. Any notice to the contractor shall be deemed to be sufficiently served if given or left in writing at his usual or last-known place of abode or business.

3. The contractor shall furnish security for the due fulfillment of the contract equivalent to 50 per cent of the total value of the contract. The security may be in the form of cash or Government securities, principal securities, Post Office Savings and Deposit receipts of registered banks or Post Office five-paise certificates. Where cash is furnished as security, the amount of the security money shall be taken into account in fixing the amount of security. The Superintendent of Stationery may at his discretion accept in lieu of such security a security bond from two persons to be approved by him.

4. Upon the complete fulfillment of this contract by the contractor to the satisfaction of the Superintendent of Stationery or any officer duly authorized by him, the said sum of Rs. as deposited as security by the contractor shall be returned to him less the amount, if any, due by the contractor to the Government.

Madras, 2nd October 1930.

Early and in settling its share of the extra expenditure applied about the Conference decide that the headquarters of the Association be transferred to Colombia.

232. Read again Resolution No. 42, dated the 22nd April 1930, regarding assistance to the Trade Union of the Indian Ports Association.

Read a note by the Chairman regarding the views of the Board on the draft rules defining the constitution and objects of the Association proposed for discussion at the next Conference of the American Ports.

Resolved: That in the opinion of the Board no change in the constitution and objects of the Indian Ports Association seems to be called for and that the Association should for the present at least continue to be what has hitherto been an official meeting of the Chairmen of the Port Trust Boards at the Major Ports for a preliminary discussion of matters of general interest to the Ports.

233. Read again Resolution No. 519, dated the 2nd August 1930, permitting Messrs. Louis Dreyfus & Co., Madras, the lessees of the Trust's two warehouses on the South American, to sub-let to the Charter of Back Bannana, Madras, for a period of about three months from 1st August 1930 at Rs. 6000 per m. in one of the warehouses.

Read a draft official letter from the Collector of Back Bannana, Madras, asking whether he can be permitted by the Trust for a period of five months from 1st November 1930 with warehouse accommodation of the same size as that now occupied by him in one of the warehouses above referred to. Read also note thereon by the Chairman.

Resolved: That the Collector of Back Bannana be informed that the Trust intends that an accommodation for the storage of salt in the Trust's premises will be available on the termination of his occupation of one of the warehouses leased by Messrs. Louis Dreyfus & Co. from the Trust, to which the Board agreed by its Resolution No. 379, dated the 1st August 1930.

234. Read a note by the Chief Engineer submitting the tenders received for the supply of five tons of red lead, required for stock and recommending the acceptance. The tenders given by Messrs. Jernyp & Co., Ltd., Madras, in their letter No. Q 5112, dated the 8th September 1930—the total value of the tender amounting approximately to Rs. 2,350.

Resolved: That the tender of Messrs. Jernyp & Co., Ltd. be accepted.

235. Read again Resolutions Nos. 370 and 413 dated respectively the 26th October and the 26th

November 1930 on the subject of the arrangement with effect from the 1st September 1931 of Mr. M. S. Venkateswara, a. j. and Mr. L. A. Abraham, a. j., as Probationers in the Indian Department on a scale of pay of Rs. 150—160—170 with prospects of permanent employment with the Trust at the end of five years.

Read a note by the Chairman recommending the revision of two new Superintendent's posts to a scale of Rs. 250—300—350—400—450, with a bonus allowance of Rs. 20 per annum and the offer of the posts to the two probationers on completion of their five years' positions with the Trust in November 1931—the two posts were created to be special ones for the two probationers and to be discontinued only pending their definite appointment later in each post in the scale of the Indian Department as may be decided.

Resolved: That the recommendations be approved.

236. Read a note by the Chief Engineer supported by the Chairman, recommending the grant to Mr. J. L. de Feltre, lately Director of the Trust's Suez Canal "Wardens", who was retired from the Trust's service with effect from the 1st September 1930 owing to superannuation, of a gratuity amounting to Rs. 5,150 being at the rate of half a month's pay for each of his 32 completed years of service.

Resolved: That the grant of the gratuity recommended.

237. Read a note by the Trust's Manager supported by the Chairman recommending the grant to the widow of the late Mr. V. Chandrasekhar Srinivas, lately a Clerk in the Trust's Trade Department, who died while in the service of the Board, of a gratuity amounting to Rs. 200 being at the rate of half a month's pay for each of the eight completed years of service of the deceased employee.

Resolved: That the grant of the gratuity recommended.

238. Read and received a statement submitted by the Chairman, in accordance with Resolution No. 144, dated the 12th July 1932, regarding the circumstances under which the services of employee No. 203 of the Trust's School of Staff for the year 1930-31 were dispensed with by him under the powers delegated to him by the Board.

239. The following statement of agreements entered up behalf of the Board by the Chairman as by the Chairman and two Trustees met and voted with the view of the Trust's assets the 12th September 1930 was ordered to be recorded:—

The Standard Barometer and Thermometers are read at 2 a.m., 10 a.m., 2 p.m. and 8 p.m. and the daily means are obtained by the application of hourly corrections, deduced from twenty years' observations. The surface of the barometer is 15-16-20 feet above the level of the sea, and the reading of the bulb-temperature is one foot from

the ground. The wind, rain and general weather explained are for the current 24 hr. beginning midnight to midnight.
